

简介

南越王博物院是以南越国重要考古遗存为依托的大型考古遗址类博物馆，为国家一级博物馆，分为王墓和王宫两个展区。王墓展区位于解放北路867号，前身为西汉南越王博物馆；王宫展区位于北京路374号，前身为南越王宫博物馆。

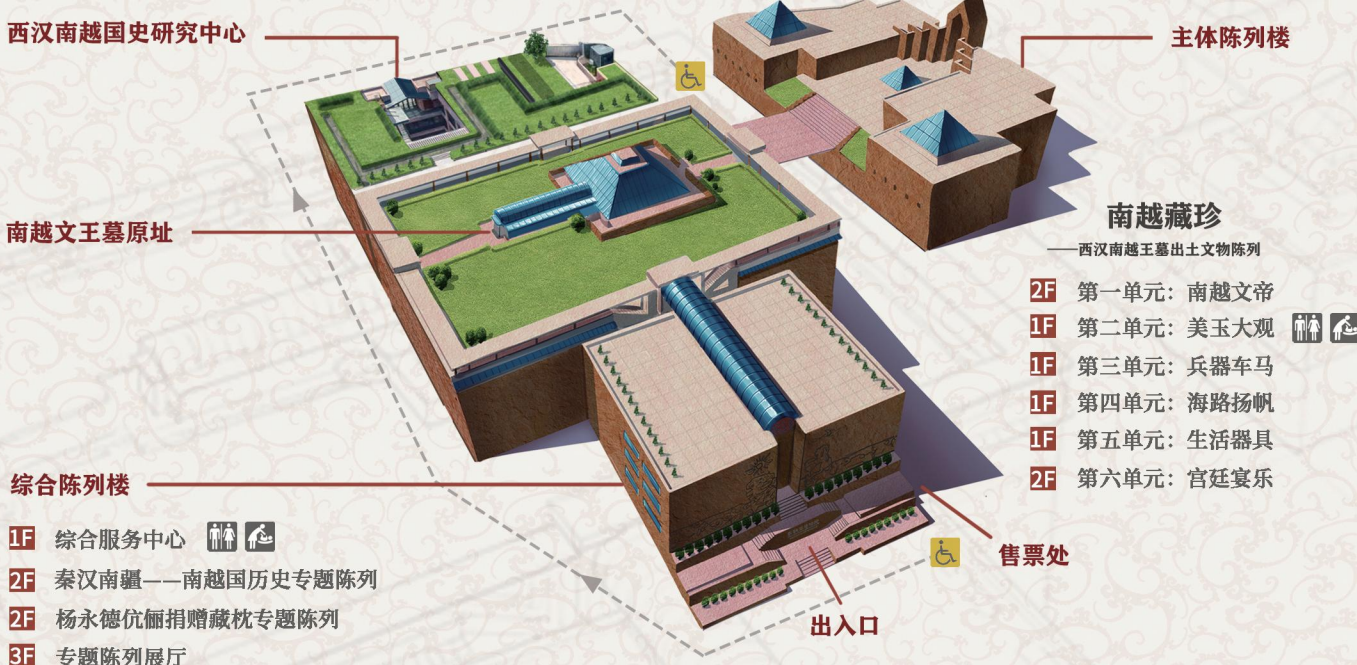

王墓展区以1983年发现的南越文王墓为核心，该墓是岭南地区等级最高、规模最大、保存最好的汉代彩绘石室墓，墓中共出土一千多件（套）文物，其中“文帝行玺”金印、角形玉杯、丝缕玉衣等具有重要历史价值。南越文王墓被誉为“岭南文化之光”。

王宫展区以南越国宫署遗址为核心，遗址叠压了自秦汉至民国共13个历史时期的文化层。其中由1995年发现的“石构水池”和1997年发现的“曲流石渠”组成的南越国御苑遗址，是目前发现年代最早、保存较为完好的秦汉宫苑实例，均入选当年“全国十大考古新发现”，南越国宫署遗址也入选“十一五”至“十四五”的国家大遗址保护专项规划，被誉为“广州历史文化名城的精华所在”。

Introduction

Nanyue King Museum is a large-scale archaeological site museum based on the important archaeological remains of the Nanyue Kingdom. It is a national first-class museum consisting of two exhibition sites: the Site of King's mausoleum and the Site of Palace and Garden. The Site of King's mausoleum is located at No.867 Jiefang North Road, formerly known as The Museum of the Nanyue King of Western Han Dynasty. The Site of Palace and Garden is located at No.374 Beijing Road, formerly known as The Archaeological Site Museum of Nanyue Palace.

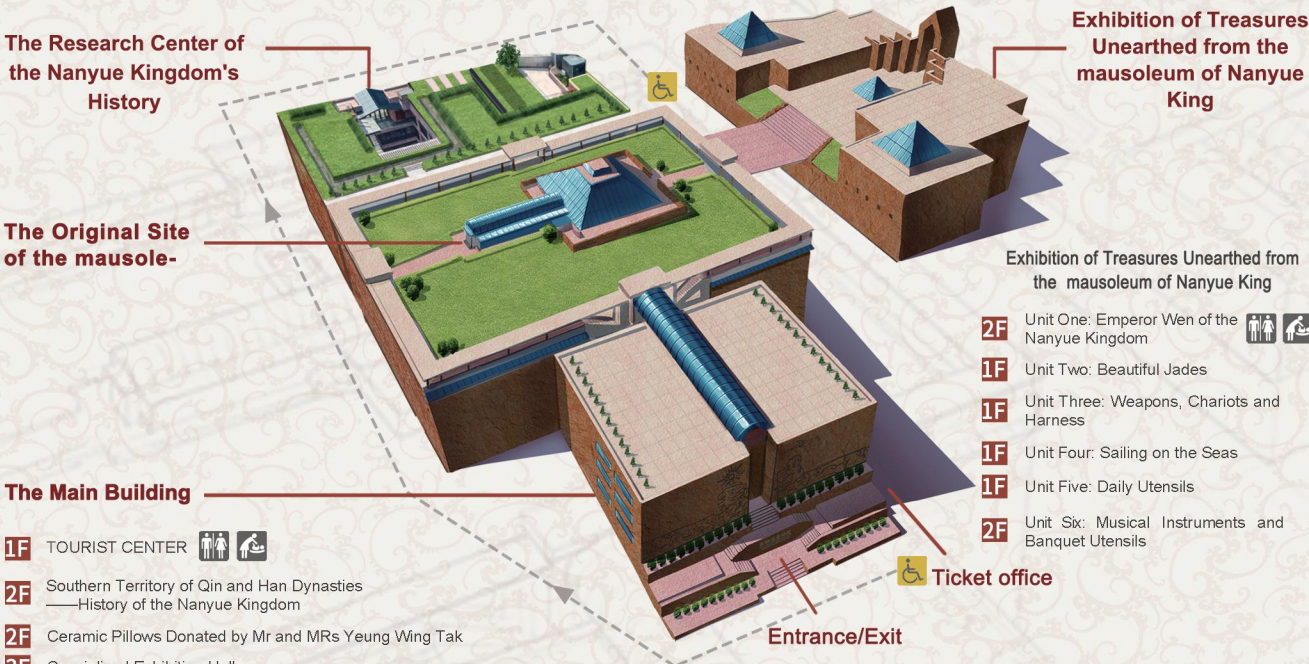

The Site of King's mausoleum centers on the mausoleum of Emperor Wen of Nanyue Kingdom, which was discovered in 1983. This mausoleum is the highest-grade, largest and best preserved painted stone mausoleum of Han Dynasty in Lingnan Region. More than 1,000 pieces (sets) of cultural relics have been unearthed from the mausoleum, among which the Administrative Seal of Emperor Wen, the Jade Drinking Vessel in Rhinoceros Horn shape and the Shroud Sewn with Silk Thread are of great historical value. The site is honored as "the Glory of Lingnan".

The Site of Palace and Garden centers on the Archaeological Site of Nanyue Kingdom Palace, containing 13 cultural strata from the Qin Dynasty to the Republic of China. The royal garden of Nanyue Kingdom, consisting of a large stone pond discovered in 1995 and a crooked stone brook discovered in 1997, is the earliest and the best preserved royal garden found so far in China, both of which have been listed as one of the top 10 new archaeological discoveries of the year in China. The site has also been selected into the Special Plan of Protection for National Great Sites from the 11th to the 14th Five Years Plan, regarded as "the Essence of Guangzhou, a historic and cultural city".
